

Our Effort of COVID-19 Prevention

List of our Covid-19 preventive major.

- Our staff check their body temperature and health condition daily.
- Our staff disinfect their hands constantly with alcohol and wear masks when serving guests.
- Use of change trays at payment.
- We provide hand sanitizers at the hotel entrance and some public areas in the hotel.
- We regularly disinfect our elevators, doorknobs, front desk equipment such as change trays and pens, and other public spaces frequently touched by our guests.
- We carry out regular ventilation.
- Our house keeping staff disinfect a bathroom, a remote control, switches, a telephone, handles and handrails in the guest room when they clean daily.
- Our house keeping staff disinfects the guest room with alcohol each time after checking out.

Request to Our Guest

- We ask our guests to use hand sanitizers and body temperature screening when they check in, so that our guests can rest at ease.
- Please inform our staff if you are not feeling well during your stay at our hotel.

We apologize for inconvenience and thank you for your cooperation and understanding.

Our Staff's Effort

 <p>The use of masks when serving guests and customers 工作人員配戴口罩 직원의 마스크 착용</p>	 <p>Gargling 漱口 가글</p>	 <p>Hand-washing 勤洗手 손씻기</p>	 <p>Provision of alcohol-based hand sanitizers 配備消毒用酒精 알코올 소독액 설치</p>
